The next step is to add a photo for your team page. This should be a company logo or similar so your page is easily identifiable when team members are signing up.

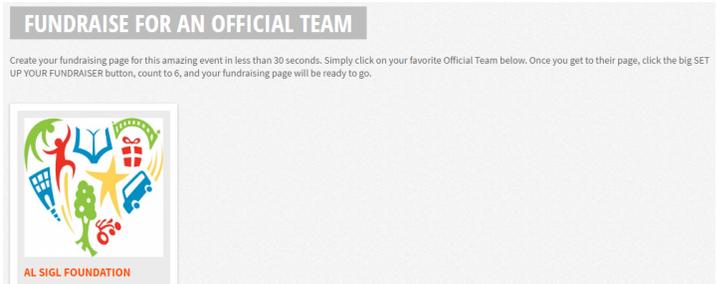

If you type in "Al Sigl Foundation" in the Choose a Charity search box, our information will pop up. Just click on the text and press "Go".

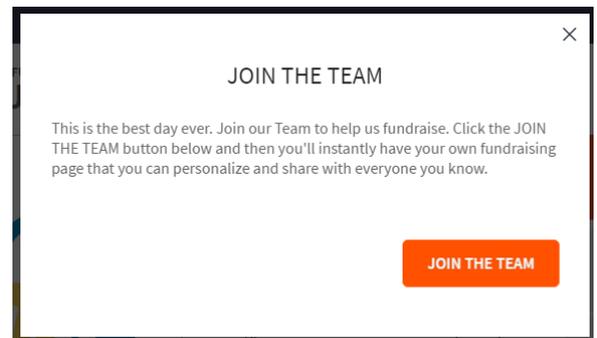

This will bring you to the Dashboard for your team page, where you have many different options for getting the word out about #WhyIWalkAbout.

If you are joining an existing team and chose “Join a Team”, a list of created teams will pop up and you just need to click on the team you want to join.

You will see this pop-up on the next screen, and all you need to do is click “Join the Team”. Congratulations, you are officially part of a WalkAbout team!

This will bring you to your fundraising page. If you click on “Manage Campaign”, it will bring you to your “Dashboard”, where you will have all kinds of options that will help you raise money for your cause. Optimal use of the Dashboard will be covered in a separate “how to”.
