A Legacy of Service: Joe Eduardo Founder's Award

Joe served as a devoted member of the Al Sigi Sports Committee for over 25 years. In 2007, he suggested Al Sigi hold a tennis

tournament, now a two-day event, that introduces new friends to Al Sigi's nonprofit mission while offering those who love the game a way to have fun while giving back. Since 2020, the names of top players have been added to a plaque that bears Joe's name.
