A Legacy of Service: **Joe Eduardo Founder's Award**

Joe served as a devoted member of the Al Sigl Sports Committee for over 25 years.

In 2007, he suggested Al Sigl hold a tennis tournament. With his hallmark energy, he spent years growing the idea into a success. Now a two-day event, the tournament introduces new friends to Al Sigl's mission while offering those who love the game a way to have fun while giving back.

Since 2020, the names of top players have been added to a plaque that bears Joe's name, as we remember his commitment to our community.
