

Dear Friend,

We invite you to join us as we celebrate **33 years of the Al Sigl Community WalkAbout** on Sunday morning, October 23rd at Eastview Mall. Walkers and rollers will come together with a common goal of raising funds to enable Al Sigl and seven Member Agencies to fulfill the shared mission of creating a world where everyone can reach his or her true potential and be fully included in community life.

How can you help? Recruit your team of walkers and rollers to join us for indoor, family-friendly, Halloween-themed fun with a costume contest you won't want to miss. In this packet, online at alsigl.org/WalkAboutTeams or via the QR code included above, we have prepared printable resources to help spread the word!

Unable to join us this year? Please consider sharing our event with friends and family to help make this the best WalkAbout yet.

Your support will not only ensure the success of this memorable morning that celebrates inclusion and *abilities* but will help to support the more than 55,000 children and adults with disabilities and special needs served by Al Sigl Member Agencies each year.

Thank you for your kind consideration,

Michael Messenger
